

## **Malad Forane Youth**

*Dear Sir / Madam,*

*Warm greetings from Malad Forane Youth!*

We are pleased to introduce Malad Forane Youth, the regional youth wing of Kalyan Eparchy Youth (KEY), functioning under the Archeparchy of Kalyan (Syro-Malabar Catholic Church). Our youth community brings together enthusiastic young members from 6 Syro-Malabar parishes across the Malad region of Mumbai.

Guided by our faith and commitment to community building, we actively organize spiritual, social, cultural, and charitable initiatives throughout the year. Some of our major activities include Youth Day celebrations, Blood Donation Camps, Prayer Gatherings, Pilgrimage Participation, and various youth development programs that foster leadership, teamwork, and service among young people.

As part of our efforts to promote sportsmanship, unity, and healthy competition among the youth, we are excited to organize the Malad Forane Super League 2026, a two-day outdoor sports tournament bringing together talented youth from across our Forane.
